We'll help you with your filings

Progressive offers [state and federal filings](#) for our commercial truck insurance customers. An insurance filing is a guarantee to the government that you have adequate coverage for your vehicle. Once authority has been filed, we can take care of the rest.

We specialize in heavy truck claims

Our goal is to give you the [best truck claims service](#) in the market. Unlike many companies, we boast a highly specialized team of 100% in-house adjusters who'll manage your repairs from start to finish. We've also developed an extensive network of pre-approved repair shops that give our customers priority status.

Truck insurance cost

In 2022, Progressive's national average monthly cost for commercial for-hire truck insurance ranged from \$736 for specialty truckers to \$1,125 for other transportation truckers. Remember, these averages aren't necessarily what you'll pay. Your rate will depend on various factors, including: USDOT authority; Coverage Requirements; Vehicle Type; Cargo; Operating Radius; Driving History.

Vehicle Insurance Discounts to qualified customers:

- **Commercial Driver's License (CDL) Discount** - For-hire truck insurance customers who have had a CDL for at least two years can save on their vehicle liability coverage.
- **Business Experience Discount** - Business auto, commercial truck and tow truck insurance customers who've been in business for more than three years are eligible.
- **Prior Insurance Savings** - You could be eligible for additional savings if you've maintained continuous insurance coverage for the last 12 months.
- **Package Discount** - Business auto customers with an in-force [general liability](#) or [business owners policy](#) could be eligible.
- **Paid In Full Discount** - Most customers can save up to 15% if they pay their total premium in one lump sum.
- **Pay by Electronic Funds Transfer (EFT)** – Spend less time paying your bills and more time managing your business with EFT. EFT deducts your payments directly from your checking account and lets you avoid the check processing fees.
- **Smart Haul® Program** – New Progressive truck customers who enroll save an average of \$1,579 on their commercial truck premium by simply allowing us to access driving data from their electronic logging device (ELD).
- **Snapshot Pro View®** - Customers can automatically save 5% off their commercial auto policy just for enrolling. It also gives businesses with three or more vehicles access to free fleet management tools.
